CORE VALUES

ACCOUNTABILITY

We are fiscally responsible.

We hold ourselves and our colleagues responsible for the outcomes of our choices, behaviors, and actions.

We take responsibility for all outcomes, positive and negative.

EQUITY

We treat our WI colleagues, our partners and funders, and all who benefit from our work with fairness and respect.

We believe that being inclusive and encouraging all voices to be heard is fundamental to delivering sustainable, effective solutions and systemic change.

We promote diversity in our teams and in our decision-making.

TRANSFORMATION

We leave enduring, positive, measurable changes.

We make inclusive decisions driven by data, science, and the perceived needs of communities and the planet we share.

INNOVATION

We create, apply, and scale up new solutions and technologies to overcome challenges.

We develop and execute ideas to meet the evolving needs of the communities we serve.

INTEGRITY

We are honest, fair, and transparent with our WI colleagues, our partners and funders, and all who benefit from our work.
